To be eligible for unemployment benefits, you must be unemployed and able to, available for, and actively seeking suitable full-time work.

A claim for unemployment benefits begins the week it is filed. Therefore, you should file your claim during your first week of unemployment.

Information Needed to File a Claim:

- Your state issued driver's license or ID card number or your MARVIN PIN (if you have one),
- The names and addresses of employers you worked for during the past 18 months along with your quarterly gross earnings,
- The last date of employment with each employer,
- Your most recent employer's Unemployment Insurance (UI) account number or Federal Employer ID number (FEIN) (especially if you have **not** filed a claim within the last three years or have been employed for less than six months).
